Hi Natalia
Thx for the info.
Are you in contact with Prof. Golani? Does he know time and place for his meeting?
Let me know if we can host Mr. Vekselberg. I would be glad to do it.

Hi Natalia

The meeting with Prof.

Golani is important to Mr. Vekselberg.

I propose that you'll talk to him over the weekend (or find someone who is allowed to talk to him beyond working hours) and it'll be set. The Prof. Leaves to Japan later next week and won't be available.

I also would really like to host Mr. Vekselberg but it could wait till Monday.

colleague who is scheduling Mr. Vekselberg's program in Israel has been duly informed of your suggestions.

I will keep you updated.

Kind regards,

Natalia

Hi Natalia

Thx. My wife Nili and myself would be honored to host Mr. Vekselberg and his wife Marina and son Alex if they're coming as well for a coffee in our private residence in Tel Aviv on any of the days of his visit.

Please let Mr. Vekselberg know of this invitation.

Hi Natalia

Prof. Golani informed me he is available on May 13. Preferably in the evening.

On May 14 at night he is flying to Japan.

I could be available if Viktor thinks it helps.

In any case I would be glad to have Viktor for a coffee at my residence or lunch/dinner-whatever he prefers.

I refer to your below email and wish to clarify that Mr. Vekselberg is going to visit Israel (Tel Aviv to be precise) on May 13 and 14 and not May 10 or 11 as mentioned in your email.

I was wondering whether these actual dates - May 13 and 14 - work for you and Professor Golani in case Mr. Vekselberg's schedule in Israel allows to accommodate a meeting with you.

Thank you in advance.

Kind regards,

Natalia Bishi

Dear Viktor

Please find attached the resume of Prof. Boaz Golani of the Technion.

He is the best candidate I can think of if he agrees to take it.

Please confirm that you've got the email.

I will contact you in 48 hours to inform you if he can come to Europe during the first week of May.

In any case we will be glad to meet with you in Israel on the 10 or 11 of May.

Best

Ehud Barak
